Dedication

The San Francisco Mime Troupe dedicates this season to the memory of **Spain Rodriguez**, graphic artist, scenic and poster designer, and friend.

SFMT would like to express our gratitude for the avalanche of goodwill that came our way these last few months. Faced with the possibility of canceling this season, great numbers of you rallied with letters and calls of support. Your donated time, skills and funds are a significant part of the great effort that made this season a reality. It was a clear example of successful community action and became a strong metaphor for what we need to do for the sake of our amazing planet.

You acted locally, think of what we can do globally!

Our final Community Forum of the Summer will be at 7 p.m. on Aug. 22, 2013 @ SFMT Studio, 855 Treat Ave.
